

SPECIAL OFFER WILL RUN TILL THURSDAY

Many of the Candidates Are in Favor of it

The big special offer to increase votes, now in vogue, will not close Monday, but will continue till Thursday night, May 21st up to 8 p. m.

Owing to the fact that some of the candidates did not have the time to take advantage of the special offer up to date on account of the bad weather it has been thought best to continue the special up to Thursday. This will give each and every candidate a chance to secure the extra votes.

But five days remain in which to take advantage of the special offer. These five days should be filled with earnest endeavors to get as many six months and yearly subscribers as possible. Twenty or fifty thousand votes may win some young lady the automobile or the piano and if the votes which win it would have been secured in this offer, the candidate would be thankful indeed, for the opportunity afforded this week. A number of the candidates are already entitled to the extra votes and several others have but one or two subscriptions yet to go. It should be no trouble at all to get five new ones within the next four days and thus be entitled to 20,000 votes. The opportunity here afforded is the last one of its kind to be made and those who fail to take advantage of it will lose one of the best chances of the contest.

A great deal of credit is due the young ladies in the race for their untiring zeal and energy. Of course the race is now on and a large number of candidates have come into the contest to win.

The number of votes cast grows hourly and reports from all over the county confirm the report that the contest is gaining new friends daily.

None of the contestants are losing hope. The contest is now well advertised and every man, woman and child is aroused to meet the demands by the young ladies who are soliciting votes and subscriptions.

A difference of a few thousand votes is nothing, as that means but a couple of yearly subscriptions and there is a good long time remaining to secure subscriptions and close the chasm which now separates those in other positions from first place. Many people are willing to help the young ladies and are on waiting to be asked to do so. The first candidates to ask for the subscriptions are the ones who will get them, so it is imperative that those who desire to enlarge their count get out among the people and make their cause known.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

HOW TO WIN.

The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are

saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Seaside.

Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.

FRANK J. DONNERBERG.

Frank J. Donnerberg, who several months ago opened a handsome jewelry store at 574 Commercial street, has won a reputation that has brought him what is perhaps the best trade in the city. After 16 years' experience in the large jewelry and watchmaking stores of San Francisco and Portland, Mr. Donnerberg came to Astoria and opened a small place at 110 Eleventh street, confining himself largely to repairing watches, and carrying a small stock of jewelry and watches. His customers found him a good watchmaker and discovered they were given fair treatment and patronized him liberally, enabling him to increase his stock rapidly. Mr. Donnerberg is a broad-minded business man, and his up-to-date stock includes all the newest styles which he purchases from New York and San Francisco wholesalers, and his establishment is a credit to the city.
